

LOGMASTER

RECORD KEEPER COMPLIANCE

TRANSPORT COMPLIANCE MADE EASY

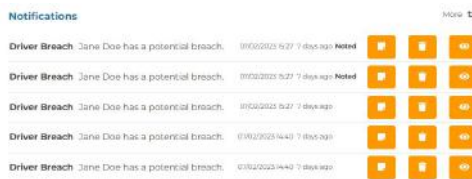

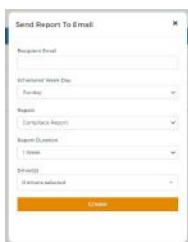

NHVAS + WAHVA

- ✓ Real-time alerts for breaches, failed pre-starts and fitness declarations, document, licence, registration expiry and more.
- ✓ Customisable forms and documents to suit your business and your accreditation.
- ✓ Integration ready - Connect Logmaster with other systems for consolidated reporting.

SIMPLE AND EASY TO USE

AUTOMATED REPORTING

- ✓ Schedule reports to arrive in your inbox daily, weekly or monthly.
- ✓ Produce quarterly compliance reports, driver performance reports, fitness declarations, NCR's and more, instantly with powerful reporting.

REAL-TIME ALERTS

- ✓ Be notified the moment an issue arises with the web based notifications centre or receive push notifications using the Logmaster Record Keeper mobile app.
- ✓ Keep up to date with reminders about expiring documents and certificates.

AUDIT READY - ALWAYS

- ✓ No more prepping paperwork for weeks before an audit. Be in a constant state of "audit ready" with Logmaster.
- ✓ Customisable forms and registers means you are able to keep to your obligations in line with your accreditations.

- ✓ Assist payroll with time and kilometre reports.
- ✓ Automated full fleet reporting for all of your drivers and vehicles across all states in Australia.
- ✓ Manage your registers with realtime uploads.
- ✓ Quickly add drivers and vehicles with bulk import facility.

INCREASE ACCURACY AND PRODUCTIVITY

// *Since we implemented Logmaster we have seen and incredible jump in productivity and the time-saving benefits are absolutely undeniable. Our compliance team can now focus more on other areas of the business rather than spending so much time on manual entry and working with multiple different systems and processes.* //
